

Dear Representative _____:

My name is _____ and I am a constituent from _____ . I am also a Jackson County CASA Volunteer Advocate. I see, firsthand in my CASA case, the struggles that Children's Division is having with extreme turnover and exhausted workers who don't have enough time or support to get it all done. I also see, even more personally, how these struggles are directly and negatively impacting the kids and families that I work with. Director Missey's Plan to Rebuild and Reform Children's Division, with the Governor's support, gives me hope that there is a way out of this crisis. So I'm asking you to support House Bills 11 and 14 that will increase worker pay and positions. The relief, even if small, is much needed here in Jackson County.

Sincerely,

YOUR NAME

Jackson County CASA Volunteer Advocate
